

## Little By Little

Southside Johnny & The Asbury Jukes

Whoa, whoa, whoa  
Baby you're out all night till the break of day  
You put me down baby  
Everything I say  
Little by little baby  
I'm losing you, that I can see  
Bit by bit your love's slipping away from me

Now what you're doing baby  
You know it ain't right  
I'm worried about you darling  
I can't sleep at night

Little by little baby  
I'm losing you and I concede  
Bit by bit your love's slipping away from me

You turn your head away when I try to kiss you  
I get so lonely baby I...  
Little by little baby  
I'm losing you and I concede  
(Why you pretty little son of a...)  
Bit by bit your love's slipping away from me

Tried to trail you last night baby in my car  
Scared I might find what I was looking for  
Little by little baby I'm losing you to  
Bit by bit your love is slipping away from me  
(Say, what's his name?)

Baby you're out all night till the break of day  
You put me down baby  
Everything I say  
Little by little baby  
I'm losing you, that I can see  
Bit by bit your love is slipping away from me  
Bit by bit your love is slipping away from me
