

Love On The Wrong Side Of Town

Southside Johnny & The Asbury Jukes

I was there when you needed someone
Look now, baby, see what you have undone
I did most of the talking
But you were the one who lied

Bye-bye, baby, our love is tumblin' down
I can't be hangin' around
Love on the wrong side of town

You were gone when I needed you by my side
There was no one to dry the tears from my eyes
You were the one who cheated
But I was the one who cried

Bye-bye, baby, our love is tumblin' down
I can't be hangin' around
Love on the wrong side of town
Love on the wrong side of town
Bye-bye, baby, love on the wrong side of town
Bye-bye, baby
