

## Next To You

Southside Johnny & The Asbury Jukes

The same old places hurt inside  
But I still take that one sweet ride  
Baby, when I can  
The same old faces I despise  
Coming 'round here tellin' lies  
Sayin' they understand  
I'm trying to make it, baby, but it's no good  
I wouldn't give the satisfaction even if I could

Well there's nothing that I wouldn't do  
There's nothing that I wouldn't do  
There's nothing that I wouldn't do  
To get next to you

The money came, the money went  
And all the time, baby, we knew it wouldn't last too long  
You spent your life on easy street  
Well that's one game I never beat  
You know, on me it always looked so wrong

You can't walk away, baby, without getting scarred  
I want it so badly, I'm trying too hard

Well there's nothing that I wouldn't do  
There's nothing that I wouldn't do  
There's nothing that I wouldn't do  
To get next to you

You say there's nothing left to believe in  
That somehow it wasn't meant to be  
Oh don't you believe in me?

Oh, baby, there is nothing that I wouldn't do  
There's nothing that I wouldn't do  
There's nothing that I wouldn't do  
To get next to you

Oh, I gotta get next to you, girl  
Baby, I gotta get next to you  
Honey there's nothing, nothing I wouldn't do  
Oh, baby, I got to, got to, got to get next to you, girl
