

# Sweeter Than Honey

Southside Johnny & The Asbury Jukes

Sweeter than honey, believe it  
Better than blue skies or morning dew  
I spend all my money, I don't need it

Just as long as I've got you  
You know where it is with just one look  
I don't need movies or a picture book  
You know I'm talking about love, love, love  
Ain't nothing but love, love, love  
Oh I'm in love, love, love  
And honey, I'm talking about the real thing

And that kind of love don't come easy  
Ain't much of it in the world around you  
That kind of love don't come easy  
Honey, I'm so glad I found you

Ooh, yea yea yea  
Warmer than sunlight, my baby  
I didn't live 'til I felt her touch  
Now I'm feeling weak and strong and crazy  
I never wanted anything so much

And she understands before I speak a word  
I know she's more than I deserve  
You know I'm talking about love, love, love  
Ain't nothing but love, love, love

Oh I'm in love, love, love  
And honey, I'm talking about the real thing

And that kind of love don't come easy  
Ain't much of it in the world around you  
That kind of love don't come easy  
Honey, I'm so glad, so glad,  
I'm so glad I found you

You know where it is with just one look  
I don't need movies or a picture book  
You know I'm talking about love, love, love  
Ain't nothing but love, love, love  
Oh I'm in love, love, love  
And honey, I'm talking about the real thing

And that kind of love don't come easy  
Ain't much of it in the world around you  
That kind of love don't come easy  
Honey, I'm so glad, so glad,  
I'm so glad I found you

And that kind of love don't come easy
