

Take My Love

Southside Johnny & The Asbury Jukes

If I could believe you
To my soul
That you would never leave me
Baby, I don't know
There's been so many others
In my life
Could you be any stronger
Then they tried
I'm not gonna make you
I'm not trying to take you
All I want from you now
Is to know that if you go, you will know how

To take my love with you everyday
When you're out and on the street
When you wake up in the morning
Take my love, baby, I'll be fine

To give in to temptation
In your mind
Is to show preoccupation
To have a good time
But you don't have to worry
About my heart
Cause you ain't gonna hurt me
If we part

I'm not gonna make you
I'm not trying to take you
All I want is to see
If you go, there'll be no ghost of you
To haunt me

To take my love with you everyday
When you're out and on the street
When you wake up in the morning
Take my love, baby, I'll be fine
