

# The Time

Southside Johnny & The Asbury Jukes

Baby, this is your life story  
Me, I'm just another part-time friend  
And if that's all the way you want it  
Well then that's the way the story ends

You say you're tired of complications  
I think I know just what you mean  
You've been rolling in the dirt for so damn long  
Now you don't know if you'll ever get clean

We've got to stop  
'Cause you don't have the time  
You're throwing all your time away  
We've got to stop  
'Cause you just don't have the time  
I guess there's nothing left to say  
There's nothing left to say

You've been downhearted in the morning  
And frightened by laughter in the night  
It's draining all your sensibilities  
Till you don't have the strength to fight

We've got to stop  
'Cause you don't have the time  
You're throwing all your time away  
We've got to stop  
'Cause you just don't have the time  
I guess there's nothing left to say
