

Relationship

Space Eater

What have you done with your life?
Junk food and soda, wasted nights
Internet junkie, TV maniac
This kind of lifestyle causes schizophrenia

Where is your god?

The future is unreserved, soon we'll know
Monitored by them, reality TV show
What have you done to put a stop to this?
I know you can't remember, never before this have you seen

What is this state of the world we've cast upon ourselves?
Relationship
Your mind rusts on a shelf

Millions of people are hypnotized, building in chips in their hands, blindly obeying
Bankers dictate your lives with artificial economic crisis, currency's a lie

What is this state of the world we've cast upon ourselves?
Relationship
Your mind rusts on a shelf

And while you sit in your room doing nothing they claim on your soul, they take your freedom
Idle, you never even notice your shackles, embrace your fate, you're caught in the spider web
