

Another Nugget Of Joy From Zorak

Space Ghost

Now, here's Zorak
With a very important nugget of joy for us
I ran to get into shape once
I ran and ran and ran
Ol' runnin' Zorak
That's what they used to call me
Ol' runnin' Zorak
Hee-Hee
Then I developed the worst bunyon
On the pinky toe of my left foot
Ugghh...I done me in
So I started conquering galaxies
Muaahahahaha!!!
