

Crazy Lovesick Fool

Space Ghost

Say that I'm a silly so and so
So and so...
Tell me I'm not clever, cute or cool
Cool...
Tromp on my big toe
Darling, I still love you so
I'm just a crazy, lovesick fool
I know that I embarrass you sometimes
All the times...
Like when I threw your mom into the pool
Mom...
I yell a lot
And you can't understand a word I say
But, hey, I'm just a crazy, lovesick fool
I remember the night we met
It was in a laundromat
You came into to wash your feet
She was eating a pile of meat
And that as they say was that
Oh...
At the moment
I am indisposed
Indisposed...
But when and if someday
I get set free
Free...take me
We'll find a little cottage
With a swingset and a slide
And crazy, lovesick fools we'll be
And crazy, lovesick fools we'll be
Somebody...please kill me
