

# Everyone Needs Lovin'

**Space Ghost**

Everybody wants to be Space Ghost  
Everybody near and far  
Hey, ma, look at me  
I'm on TV  
Everybody wants to be a star  
I'm Space Ghost  
Mr. Space Ghost  
I've got big muscles  
And I can dance  
When Zorak tries to bug me  
I zap him with my power bands  
Uhhhh...I don't think that will be necessary  
I think I'll zap him with my power bands  
On Saturn and Jupiter and Neptune, too  
I've been hearing it from coast to coast  
I'd give anything  
If for just one day  
I could be a super hero like Space Ghost  
Ugghh...Why would anyone want to be Space Ghost?  
Everybody wants to be just like me!
