

Everyone Needs Lovin'

Space Ghost

Everybody wants to be Space Ghost
Everybody near and far
Hey, ma, look at me
I'm on TV
Everybody wants to be a star
I'm Space Ghost
Mr. Space Ghost
I've got big muscles
And I can dance
When Zorak tries to bug me
I zap him with my power bands
Uhhhh...I don't think that will be necessary
I think I'll zap him with my power bands
On Saturn and Jupiter and Neptune, too
I've been hearing it from coast to coast
I'd give anything
If for just one day
I could be a super hero like Space Ghost
Ugghh...Why would anyone want to be Space Ghost?
Everybody wants to be just like me!
