

## I Love Beans

Space Ghost

Here's a lovely song about my favorite food  
Lima, lento, soy, and pinto  
Navy, northern, and garbanzo  
Kidneys and frijoles negros  
I love beans  
I love beans  
Woo woo woo!  
I love beans  
How 'bout you?  
High in fiber  
Low in fat  
Hey, I betcha didn't know that  
When I eat beans  
I sit in my own little cloud  
Nobody comes to visit me  
In my little cloud  
I don't know why  
Maybe 'cause I'm cuttin' muffins  
Because...  
I love beans!  
Hey hey hey!  
I love beans everyday!  
Beans are an excellent source of protein  
I love beans!  
Diggydoo!
