

## What Day Is It?

Space Ghost

What day is it?  
Could you please tell me?  
What day is it?  
I'm confused you see  
Is it Sunday?  
No  
Is it Monday?  
No!  
Is it Tuesday?  
Bluesday?  
Better-wear-shoesday?  
No! No! No! No! No! No! No!  
Is it Wednesday?  
No!  
Is it Thursday?  
Shut up!  
Is it Friday?  
Saturday?  
Better-wear-a-hat-urday?  
Maybe it's tomorrow  
And maybe it's not  
Maybe it's yesterday  
I done forgot  
(Brak breaks out into some scat)  
Maybe it's tomorrow  
And maybe it's not  
Maybe it's yesterday  
I done forgot  
Hey, what day is it?  
Could you please tell me?  
What day is? What day is it?  
I'm confused you see  
Oh!
