

Female Of The Species

Space

A thousand thundering thrills await me
Facing insurmountable odds gratefully
The female of the species is more deadly than the male

Shock shock horror horror
Shock shock horror
I'll shout myself hoarse for your supernatural force
The female of the species is more deadly than the male

Oh she deals in witchcraft
And one kiss and I'm zapped

Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
Oh how can heaven hold a place for me
When a girl like you has cast a spell on me

Frankenstein and Dracula have nothing on you
Jekyll and Hyde join the back of the queue
The female of the species is more deadly than the male

Oh she wants to conquer the world completely
But first she'll conquer me discreetly
The female of the species is more deadly than the male

Oh she deals in witchcraft
And one kiss and I'm zapped

Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
Oh how can heaven hold a place for me
When a girl like you has cast a spell on me

Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
