Female Of The Species

A thousand thundering thrills await me Facing insurmountable odds gratefully The female of the species is more deadly than the male

Shock shock horror horror Shock shock horror I'll shout myself hoarse for your supernatural force The female of the species is more deadly than the male

Oh she deals in witchcraft And one kiss and I'm zapped

Oh how can heaven hold a place for me When a girl like you has cast a spell on me Oh how can heaven hold a place for me When a girl like you has cast a spell on me

Frankenstein and Dracula have nothing on you Jekyll and Hyde join the back of the queue The female of the species is more deadly than the male

Oh she wants to conquer the world completely But first she'll conquer me discreetly The female of the species is more deadly than the male

Oh she deals in witchcraft And one kiss and I'm zapped

Oh how can heaven hold a place for me When a girl like you has cast a spell on me Oh how can heaven hold a place for me When a girl like you has cast a spell on me

Oh how can heaven hold a place for me When a girl like you has cast a spell on me Oh how can heaven hold a place for me When a girl like you has cast a spell on me
