

# Hitch Hiking

Space

Accepted a lift in a stolen car  
Hitch-hiking  
Hitch-hiking

Just another ill-fated day for me  
Hitch-hiking  
Hitch-hiking

Oh violence  
Oh violence  
Please leave me alone  
Please leave me alone

Oh violence  
Oh violence  
Please leave me alone  
Please leave me alone

I live in a town called Friendly  
There's no exit  
No exit

I think this time  
I've gone to far  
Like Sam Peckinpah  
Like Sam Peckinpah

Oh violence  
Oh violence  
Please leave me alone  
Please leave me alone

Oh violence  
Oh violence  
Please leave me alone  
Please leave me alone

Run, Run, Run  
You can't get away  
Run, Run, Run  
You can't get away

Oh violence  
Oh violence  
Please leave me alone  
Please leave me alone

Oh violence  
Oh violence  
Oh violence  
Please leave me alone

Oh violence  
Oh violence  
Oh violence  
Please leave me alone

Run, Run, Run  
Run, Run, Run  
Oh violence  
Please leave me alone

Run, Run, Run  
Run, Run, Run  
Oh violence  
Please leave me alone  
Run, Run, Run  
Run, Run, Run  
Run, Run, Run  
Run, Run, Run  
Oh violence  
Please leave me alone  
Run, Run, Run  
Oh violence
