

More Than A Friend

Space

You are my alibi
My alcohol, you're my Russian Roulette
And my 999
You are caramel, my energy
You're my rainy day
All my stolen years

If this is love knocking at my door
I can safely watch the sunrise
Safely watch the sunrise
I can safely watch the sunrise
Cos you're more than just a friend to me

You are my medicine
My pain in the ass, you're a shooting star
Falling just for me
You can be mercenary
But not to me
You are stainless steel
Could be the death of me

If this is love knocking at my door
I can safely watch the sunrise
Safely watch the sunrise
I can safely watch the sunrise
Cos you're more than just a friend to me
I can safely watch the sunrise
Safely watch the sunrise
I can safely watch the sunrise
Cos you're more than just a friend to me
I can safely watch the sunrise
Safely watch the sunrise

I can safely watch the sunrise
Cos you're more than just a friend to me
