

## No-one Understands

Space

I'm a man and you're a man  
And we don't understand  
Why the world is such a funny shape  
It is so bland  
If I wanted to kill or assassinate  
The Queen  
They would only lock me up  
And throw away the key  
Then you'd never get out  
Then you'd never get in  
No-one understands me  
No-one understands  
No-one understands me  
No-one understands  
If I wanted to be someone  
I think I would be  
Margaret Thatcher  
She's so cool I think she should  
Be Queen  
Now if you should agree with this  
Then I think you should be  
Hung and drawn and quartered  
And then thrown into the sea  
And then you'd never get out  
Because you can't swim  
No-one understands me  
No-one understands  
No-one understands me  
No-one understands  
No-one understands me  
No-one understands
