No-one Understands

I'm a man and you're a man And we don't understand Why the world is such a funny shape It is so bland If I wanted to kill or assassinate The Queen They would only lock me up And throw away the key Then you'd never get out Then you'd never get in No-one understands me No-one understands No-one understands me No-one understands If I wanted to be someone I think I would be Margaret Thatcher She's so cool I think she should Be Queen Now if you should agree with this Then I think you should be Hung and drawn and quartered And then thrown into the sea And then you'd never get out Because you can't swim No-one understands me No-one understands No-one understands me No-one understands No-one understands me No-one understands
