

Steal My Love

Space

Can't understand how
You've lasted so long around me
You've given me so much grief
You're my misery
I'm not a man of violence,
I'm not a man of steel
But I know I have no patience for a man
Who wants to steal my love
No-one's gonna steal my love
No-one's gonna steal my love
No-one's gonna steal my love

It's a long way down
Six feet under the ground

If I had a wish
It would be that you never did exist
I used to worship the ground you often fell upon
Now to me you're just my history
I'm not a man of violence,
I'm not a man of steel
But I know I have no patience for a man
Who wants to steal my love
No-one's gonna steal my love
No-one's gonna steal my love
No-one's gonna steal my love

It's a long way down
Six feet under the ground

I'm not a man of violence,
I'm not a man of steel
But I know I have no patience for a man
Who wants to steal my love
No-one's gonna steal my love
No-one's gonna steal my love
No-one's gonna steal my love
