

## Beautiful Girl

Spacehog

Sixteen or seventeen, that's all I think you were  
Fly by me one more time, I wonder who you are  
The most beautiful girl in the world  
I won't make promises I know I cannot keep  
You'll be my sweet thing and I'll worship at your feet  
et  
The most beautiful girl in the world  
So call me back one more time and nail me to your bed  
Well, I'll pull my weight and wear a Monet on my head  
The most beautiful girl in the world
