

I'm Leaving You

Spain

Made up
My mind
Tonight I'm leaving you

No love
To find
Tonight I'm leaving you

Nothing to say
Nothing left you can do

Tonight I'm leaving you

Don't need
Your lies
Tonight, tonight I'm through

Don't want
Goodbyes
Tonight, tonight I'm through

You can hold on
You can, it's up to you

Tonight I'm leaving you
Tonight I'm leaving you
