

# I'm Leaving You

Spain

Made up  
My mind  
Tonight I'm leaving you

No love  
To find  
Tonight I'm leaving you

Nothing to say  
Nothing left you can do

Tonight I'm leaving you

Don't need  
Your lies  
Tonight, tonight I'm through

Don't want  
Goodbyes  
Tonight, tonight I'm through

You can hold on  
You can, it's up to you

Tonight I'm leaving you  
Tonight I'm leaving you
