

Revenge for Love

Spandau Ballet

Don't I need a savior
Just to bail me out
I'll hold my breath
Until the water lets me out

And I say
Alimony never can pay
Hey, hey, hey

I'm on the breadline
You're on the answer phone
You're off the hook
And I'm left all alone

It's a shame
Passion isn't always to blame
Hey, hey, hey

Oh, I don't need time
Just sweet revenge for love
Oh, I don't need time
Just sweet revenge for love
(Don't say, don't say, don't say)
It's a crime
Just give me sweet revenge

I'm undercover
My love has overgrown
Retaliation is emotion
I have shown

And I say
All the money never can pay
Hey, hey, hey

I'm on the level
You're on the second floor
I'm counting seconds
As my hand goes for the door

It's a shame
Pleasure isn't always the same
Hey, hey, hey

Oh, I don't need time
Just sweet revenge for love
Oh, I don't need time
Just sweet revenge for love
(Don't say, don't say, don't say)
It's a crime
Just give me sweet revenge

I need revenge for love, revenge for love
Revenge for love, revenge for love

Don't I need a savior
Just to bail me out

I'll hold my breath
Until the water lets me out

And I say
Alimony never can pay
Hey, hey, hey

Oh, I don't need time
Just sweet revenge for love
Oh, I don't need time
Just sweet revenge for love
(Don't say, don't say, don't say)
It's a crime
Just give me sweet revenge

Oh, I needed, I needed, I needed
Revenge for love

Sweet revenge for love
Oh, I don't need time
Just sweet revenge for love
(Don't say, don't say, don't say)
It's a crime
Just give me sweet revenge
