

# Revenge for Love

Spandau Ballet

Don't I need a savior  
Just to bail me out  
I'll hold my breath  
Until the water lets me out

And I say  
Alimony never can pay  
Hey, hey, hey

I'm on the breadline  
You're on the answer phone  
You're off the hook  
And I'm left all alone

It's a shame  
Passion isn't always to blame  
Hey, hey, hey

Oh, I don't need time  
Just sweet revenge for love  
Oh, I don't need time  
Just sweet revenge for love  
(Don't say, don't say, don't say)  
It's a crime  
Just give me sweet revenge

I'm undercover  
My love has overgrown  
Retaliation is emotion  
I have shown

And I say  
All the money never can pay  
Hey, hey, hey

I'm on the level  
You're on the second floor  
I'm counting seconds  
As my hand goes for the door

It's a shame  
Pleasure isn't always the same  
Hey, hey, hey

Oh, I don't need time  
Just sweet revenge for love  
Oh, I don't need time  
Just sweet revenge for love  
(Don't say, don't say, don't say)  
It's a crime  
Just give me sweet revenge

I need revenge for love, revenge for love  
Revenge for love, revenge for love

Don't I need a savior  
Just to bail me out

I'll hold my breath  
Until the water lets me out

And I say  
Alimony never can pay  
Hey, hey, hey

Oh, I don't need time  
Just sweet revenge for love  
Oh, I don't need time  
Just sweet revenge for love  
(Don't say, don't say, don't say)  
It's a crime  
Just give me sweet revenge

Oh, I needed, I needed, I needed  
Revenge for love

Sweet revenge for love  
Oh, I don't need time  
Just sweet revenge for love  
(Don't say, don't say, don't say)  
It's a crime  
Just give me sweet revenge
