## **All Night Home**

Sparklehorse

Shining motorcycle Through the trees we rifle We're gonna drive all night home We're gonna drive all night home Down to West Virginia Like the blood within ya We're gonna drive all night home We're gonna drive all night home Shining motorcycle All her worries stifled We're gonna drive all night home We're gonna drive all night home This ought to hold her now This ought to hold her now This ought to hold her now This ought to hold her now
