

# Almost Lost My Mind

Sparklehorse

Without you last night  
Fireworks show bright  
And i almost lost my mind  
Yes i almost lost my mind  
In the traffic jam  
Sweating big for cans  
And i almost lost my mind  
Yes i almost lost my mind

For the queue last night  
Fireworks show bright  
And i almost lost my mind  
Yes i almost lost my mind  
For the queue last night  
In the traffic jam
