

Heart of Darkness

Sparklehorse

She laid her head on my chest
As the sun burned down the west
There's one thing we still got
This one last dance in this parking lot
Oh yeah, I, I got a heart of darkness
Oh yeah, I, I got a heart of darkness
Then she woke up into the fire
And the flames kept dancing higher
Satan would laugh at her screams
Then she woke up from her dreams
Oh yeah, I, I got a heart of darkness
Oh yeah, I, I got a heart of darkness
