

## Heart of Darkness

Sparklehorse

She laid her head on my chest  
As the sun burned down the west  
There's one thing we still got  
This one last dance in this parking lot  
Oh yeah, I, I got a heart of darkness  
Oh yeah, I, I got a heart of darkness  
Then she woke up into the fire  
And the flames kept dancing higher  
Satan would laugh at her screams  
Then she woke up from her dreams  
Oh yeah, I, I got a heart of darkness  
Oh yeah, I, I got a heart of darkness
