

## Little Fat Baby

Sparklehorse

Did you save your wisdom teeth?  
Did you burn your Christmas tree?  
But he got dragged by a donkey  
Through the dirt and the myrtle  
But he was once a little fat baby  
Did you lose your fatty in the bath?  
Did you make the city slickers laugh?  
He got dragged by a donkey  
Through the glass and the myrtle  
But he was once a little fat baby  
Did you burn your wisdom teeth?  
Did you save your Christmas tree?  
He got dragged by a donkey  
Through the switches and the myrtle  
But he was once a little fat baby
