

Painbirds

Sparklehorse

Goddamn, it's so very hot
Supposed to come a rain but it's not
Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds
Spiral down those hateful dears
Between our skins and burning spheres
Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds
Goddamn, it's so very hot
Spiral down those hateful dears
Supposed to come a rain but it's not
Between our skins and burning spheres
Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds
Oh yeah
