

Need You Now

Sparks The Rescue

Picture perfect memories scattered all around the floor
Reaching for the phone cause I can't fight it anymore
And I wonder if I ever cross your mind
For me it happens all the time

It's a quarter after one, I'm all alone and I need you now
I said I wouldn't call but I lost all control and I need you now
w
Still I don't know how to do without, well I just need you now

Another shot of whiskey can't stop staring at the door
And I'm hoping you'd come sweeping in the way you did before
And I wonder if I ever cross your mind
For me it happens all the time

It's a quarter after one, I'm a little drunk and I need you now
I said I wouldn't call but I lost all control and I need you now
w
Still I don't know how I can do without, well I just need you now
ow

Guess I'd rather hurt than feel nothing at all

It's a quarter after one, I'm a little drunk and I need you now
I said I wouldn't call but I lost all control and I need you now
w
And darling I don't know how to do without, well I just need you
u now

It's a quarter after one, I'm all alone and I need you now
I said I wouldn't call but I lost all control and I need you now
w
Still I don't know how to do without, well I just need you now
Ohh baby I need you now
Darling I don't know how to do without, well I just need you now
