## Sparks The Rescue

Have I been treating you right pretty baby? I'd be better if I  
wasn't so stoned  
But now you're leaving me all on my own I swear I'll be a better  
man  
If you keep drinking that wine little darling you'll be drunk before  
you know  
When that other boy won't show any signs of a gentleman

Be afraid  
Darling I'm a hurricane  
If you shipwreck your love  
I will be all the blame

I dreamt last night I broke in your apartment and I tried on all  
of your clothes  
But I just can't get your shoes on my toes (can't get your shoes  
on my toes)  
So I'm dancing to your stereo  
Well if that boy don't dance with you darling there will be no  
romance ever starting  
You'll be sitting all alone wishing I was all over you

Be afraid  
Darling I'm a hurricane  
If you shipwreck your love  
I will be all the blame  
Say my name  
No just light it up in flames  
If you're not in love then I don't want to play your games  
No I don't want to play

Come on come on what are you messing with (Come on)  
Come on come on what are you messing with (Come on)  
Come on come on

Be afraid  
Darling I'm a hurricane  
If you shipwreck your love  
I will be all the blame Say my name  
No just light it up in flames  
If you're not in love then I don't want to play your games  
No I don't want to play your games
