

# Dance Godammit

Sparks

It's the sound  
Of today  
Played so loud  
You're in pain  
I feel good  
Really great  
As I talk  
To my feet  
Dance Godammit

Dance Godammit

I get scared  
When I'm alone  
So I don't  
Stay alone  
I like clubs  
I like girls  
I like music  
And that's it  
Dance Godammit  
Dance Godammit

I do leaps  
I do splits  
I do spins  
I do dips  
Wanna dance?  
Do you wanna dance?

I get scared  
When I'm alone  
Ah, don't leave me  
All alone  
Wanna dance  
Wanna dance  
Wanna dance?  
Do you wanna dance?  
Dance Godammit
