

# Don't Shoot Me

Sparks

I am a rhino  
Plodding the jungle  
Dinner time's here and  
"Baby I'm home"

Me and my baby  
We are so happy  
Then I smell vinyl  
"Darling, let's run!"

Don't shoot me  
Don't shoot me down  
Don't shoot me  
Don't shoot me down

I am a hippo  
Sloshing through mud  
And work is now over  
"Baby, I'm home"

Isn't she lovely  
Makes me feel comfy  
Then I smell Jeeps and  
"Darling, let's run!"

Don't shoot me  
Don't shoot me down  
Don't shoot me  
Don't shoot me down

Don't shoot me  
Don't shoot me down  
Don't shoot me  
Don't shoot me down, down  
Down, down, down, down  
Down, down, down, down

I'm a poor slob  
From Reno, Nevada  
I am a hunter  
Of rhinos and hippos

Then I come home from  
Months in the bush  
I'm tired, I'm weary  
"Darling, I'm home"

"Darling, darling, what's wrong?"  
"Darling, darling, what's wrong?"  
"Darling, darling, who's he?"

Don't shoot me  
Don't shoot me down, down  
Don't shoot me  
Don't shoot me down, down, down

Nice shooting

Nice shooting, dear, dear, dear, dear
