

Hollywood Tour Bus

Sparks

That Hollywood tour bus is certainly following me closely.

Ladies and Gentlemen, welcome to the Hollywood Tour Bus Line.

Ah, we're in luck!

To your right you'll see Mr. Ingmar Bergman, yes, the great director

Looking though he's lost in his thoughts, as he often does, let's

pull up just a little closer and see if he'll give us a big Swedish hello.

Rumor has it that Bergman's here in high level talks with a major

motion picture studio to begin what would be his first of many, many English language films made in our sunny climate.

We can only hope that the sun doesn't burn the trademark Scandinavian gloom out of his outlook.

That's why we love him!

(Ingmar, you're a genius!).

Give Ingmar a wave!
