

Love-O-Rama

Sparks

Trains are leaving from the station

(Hop on board for Love-O-Rama)

Goin' for that sweet sensation

(Hop on board for Love-O-Rama)

Brothers, sisters, all invited

(Hop on board for Love-O-Rama)

All your love will be requited

(Love him, love her, Love-O-Rama!)

You'll feel my love and then you'll know

You'll feel my love and then you'll know

You'll feel my love and then you'll know

You'll feel my love and then you'll know

Love-O-Rama, will it move me up?

(Ain't no doubt about Love-O-Rama)

Is it liable to improve me?

(Ain't no doubt about Love-O-Rama)

In the moonlight, nothing fancy

(Ain't no doubt about Love-O-Rama)

Don't go pulling a Polanski

(Love him, love her, Love-O-Rama)

You'll feel my love and then you'll know

You'll feel my love and then you'll know

You'll feel my love and then you'll know

You'll feel my love and then you'll know

Get on up, man, time is flying

(Love him, love her, Love-O-Rama)

Someone needs you, someone's crying

(Love him, love her, Love-O-Rama)

Final call for Love-O-Rama
