

## Your Call's Very Important To Us. Please Hold.

Sparks

Please hold. Please hold. Please hold. Please hold.  
I'm getting mixed signals, mixed signals, mixed signals, mixed signals

At first she said, "your call is very important to us."  
And then she said, "please hold, please hold".  
Then she said, "your call is very important to us"  
And then she said, "please hold, please hold"

At first she said, "your call is very important to us."  
And then she said, "please hold, please hold".  
Then she said, "your call is very important to us"  
And then she said, "please hold, please hold"

At first she said your call was very important to us  
And then she said please, please hold  
At first she said your call was very important to us  
And then she said please, please hold, please hold

Green, green light, red light  
Green, green light, red light  
At first she said, 'green light'  
And then she said, 'red light'

At first she said, "your call is very important to us."  
And then she said, "please hold, please hold".  
Then she said, "your call is very important to us"  
And then she said, "please hold, please hold"

Green, green light, red light  
Green, green light, red light

At first she said, "your call is very important to us."  
And then she said, "please hold, please hold".  
Then she said, "your call is very important to us"  
And then she said, "please hold, please hold"

At first she said, "your call is very important to us."  
And then she said, "please hold, please hold".  
Then she said, "your call is very important to us"  
And then she said, "please hold, please hold"

I'm getting mixed signals, mixed signals.
