

# Chasing The Dragon

Sparzanza

Looking over my shoulder  
I keep staring at the sun  
Even though I know my saviour will come from the barrel of a gun  
I got to make you believe, I am the one that you need  
I got to make you believe, You should've listened to me  
Stop wishing, you see  
You better listen to me

HE STARES AT ME, EVEN THOUGH HE CAN'T SEE  
I CAN SEE HIS EYE, THE EYE OF A NEEDLE  
SCREAMS MY NAME, FROM INSIDE MY VEINS, I CAN'T FEEL THE PAIN  
I AM... CHASING THE DRAGON

Trying to find a wagon, That will take me out of here  
Even though I know my life's been wasted by chasing the dragon  
I got to make you believe, I am the one that you need  
I got to make you believe, You should've listened to me  
Stop wishing, you see  
You better listen to me

HE STARES AT ME, EVEN THOUGH HE CAN'T SEE  
I CAN SEE HIS EYE, THE EYE OF A NEEDLE  
I AM... CHASING THE DRAGON
