

Going Down

Sparzanza

Did you see my hatred rise?
Did you feel my rage inside?
I try to be calm
I'm pushing it down, pushing it down
But I get so fucking furious
Out of my mind
You will feel it
You will taste it
Come on
I WILL BE THE ONE THAT HUNTS YOU
I WILL BE THE ONE THAT ENDS YOUR LIFE
YOU BETTER KEEP ON RUNNING
YOU ARE THE PREY, YOU'RE GOING DOWN
What goes around, comes around
I've shut my eyes, but not this time
I'm ready to fight, I'm crushing your pride
I'm bringing you down, 'cause I feel so fucking furious
Out of my mind
You will feel it,
You will taste it
Come on
I WILL BE THE ONE THAT HUNTS YOU
I WILL BE THE ONE THAT ENDS YOUR LIFE
YOU BETTER KEEP ON RUNNING
YOU ARE THE PREY, YOU'RE GOING DOWN
