

Leeches

Sparzanza

I feel my wings have been broken, I just can't feel the pain

I feel the words are unspoken, It just don't mean a thing

I don't care what you need, But I'm gonna make you bleed

Nourishment to your greed, I'm gonna make you fucking bleed

SOMEBODY SAVE ME, LEECHES ON MY SKIN

I'M DYING FROM WITHIN, BUT WHY CAN'T YOU HEAR ME

WHY CAN'T YOU SAVE ME, AND THE LEECHES ON MY SKIN

I feel my eyes have been blinded

I just can't see the pain

My eyes have never minded

It just don't seem the same

There's no way you'll succeed

'cause I am gonna make you bleed

You will follow, I will lead

I'm gonna make you fucking bleed

SOMEBODY SAVE ME

LEECHES ON MY SKIN

I'M DYING FROM WITHIN

BUT WHY CAN'T YOU HEAR ME

WHY CAN'T YOU SAVE ME

AND THE LEECHES ON MY SKIN
