

## Crass War

### Special Duties

I want a war between the rich and the poor  
I want to fight and know what i'm fighting for

In a class war, crass war, class war, crass war  
Class war, crass war, class war, crass war

In new york and la, city halls are falling down  
There's no escape, when a class war comes to town

I wanna kill, but i do not have a gun  
There'll be a class war right here in america
