

You're Doing Yourself No Good

Special Duties

I wanna have the chance to go where I want
With no fear in the back of my mind
I wanna have the chance to go out alone
But my fate's already signed

You're doing yourself no good
You're fighting your fellow man

I wanna be able to do what I want
With no laws to say I can't do
I wanna be me and no one else
I won't be nobodys fool
