

# No Adventure

Spector

No reply to my messages  
Saturday's grim, yeah it always is  
I don't want another sixty years  
I don't want another sixty days

Feel sick as I always did  
You look worse and you're just a kid  
I don't want another thirty years  
I don't want another thirty days

Oh, roam at your eyes  
Let me in or let me go  
I don't wanna know  
I don't wanna know

I remember the summertime  
There was never another time  
I don't want another seven years  
I don't want another seven days

Oh, roam at your eyes  
Let me in or let me go  
I don't wanna know  
I don't wanna know

I could never hold you down (hold me)  
I could never make you proud (make me)  
I could never leave you, girl (leave you)  
I would rather leave this world (believe me)  
We're too old to die young  
Yeah, we just play our part  
Adventure in our head  
No adventure in our heart

We're too old to die young  
Yeah, we just play our part  
Adventure in our head  
No adventure in our heart

Oh, roam at your eyes  
Let me in or let me go  
I don't wanna know  
I don't wanna know

I could never hold you down (hold me)  
I could never make you proud (make me)  
I could never leave you, girl (leave you)  
I would rather leave this world (believe me)

I don't wanna be the one you love  
I don't wanna be the one you praise  
I wanna be the one you can't forget  
Who makes you wanna take your life

I could never hold you down (hold me)  
I could never make you proud (make me)  
I could never leave you, girl (leave you)

I would rather leave this world (believe me)
