

# Do It

## Spice Girls

Wey hey,  
Come on, come on, come on  
Come on and do it [2x]  
Hey do it, do it, do it  
It's just another keep your eye fixed on the road  
Do what your mama said  
I will not be told  
Keep your mouth shut, keep your legs shut  
Go back in your place  
Blameless, shameless, damsel in disgrace  
Who cares what they say  
Because the rules are for breaking  
(I'll tell ya)  
Who made them anyway  
You gotta show what you feel  
Don't hide

[Chorus]

Come on and do it  
Don't care how you look, it's just how you feel  
Come on and do it  
You gotta make it real  
Come on and do it  
It's time to free what's in your soul  
You gotta get it right, this time  
Come on freak and lose control  
Remember things like this should be seen and never heard  
Give a little respect to me & it will be returned  
Keep your head down, keep your nose clean  
Go back against the wall  
Girl there's no way out for you  
You are sure to fall  
Who cares what they do  
Because it's your's for the taking  
So it's not for you anyway  
Make your own rules to live by

[Chorus]

You might do the wrong thing for the right reason  
Don't just do the right thing to be pleasing  
(Be pleasin)  
Baby  
Who cares what they say  
Because the rules are for breaking (I'll tell ya)  
Who made them anyway  
You gotta show what you feel don't hide

[Chorus]
