If U Can't Dance

If you can't dance if you can't dance. If you can't dance. if you can't dance If you can't dance to this you can't do nothing for me baby If you can't dance if you can't dance If you can't dance. if you can't do nothing for me baby Now we got the flavour the bad behaviour the rhythm the melody the juice for you to savour rockin' and vibing but somebody's jivin' You need to take a tip, sort it out, get a grip Whenever I go out wherever it may be, There never is a Keanu but a dweeb lookin' at me but even if I did score he's a loser on the dance floor, Take a deep breath count 1 2 3.

Even when his eyes met mine his slamming shoes were out of time, Can't you just feel the groove why don't you move, it's easy can't you see, take my hand and dance with me

If you can't dance, if you can't dance. If you can't dance. if you can't dance If you can't dance to this you can't do nothing for me baby If you can't dance, if you can't dance. If you can't dance. if you can't dance If you can't dance to this you can't do nothing for me baby.

(Possible translation of Spanish Rap, very loose)

Hey macho I saw you the other day I was very very happy Listen to the music Oh my dear

Spice Girls

Hey boy, you have nothing
What a fright, what a ??, what a dick, how "straight?"
Oh, don't touch me
Ay, how ugly
Come on, come on, get out of here
Have that music, it sings to me fast
Warning, warning
what a boy, what madness
Have my rythm
I go with you
Hey macho, I love you
I want a man, I need, yes
but not your name
Hey macho, Hey macho
If you can't dance to this you can't do nothing for me
