

Last Time Lover

Spice Girls

Treat me right, all night,
Makes me feel good, like you should
Listen up I've gotta tell ya
About the ins and outs and goings on
I wouldn't tell just anybody about the fox that I've been chasi
ng,
He's resistant not persistant, it didn't stop me from homing in
,
'Cause I'm choosy not a floozy, I get my hit and then I run wit
h it
Last time lover,
Do you think I'm really cool and sexy, and I know
You wanna get with me
Last time lover
Do you wanna be my last time baby,
Could it be your first time maybe
We got it up and down to it, like the dirty bass in the music,
I got my major chords strummin,
Took some time and then we're really buzzin,
First bite wet my appetite, second helpings always better,
Started getting burning hot, I've found my pride not easy,
Slowed it down I said stop
Last time lover,
Do you think I'm really cool and sexy, and I know
You wanna get with me
Last time lover
Do you wanna be my last time baby,
Could it be your first time maybe
Last time lover, treat me right,
Lovin undercover, all night,
Last time lover, makes me feel good,
Lovin undercover like you should,
Last time lover
Last time lover, treat me right,
Lovin undercover, all night,
Cool sexy, ever ready, someone fine, always steady, gentle hand
s, dirty mind,
Use your head and don't be blind,
Words of love they don't wash me, whats the rush no urgency you
see,
Crazy boy, potential lover first and last lover brother ain't n
o other,
Crazy, sweet, cool but racy, steady ready go, yes!
Last time lover,
Do you think I'm really cool and sexy, and I know you wanna get
with me
Last time lover
Do you wanna be my last time baby, could it be your first time

maybe

Last time lover, treat me right, lovin undercover,

Last time lover, makes me feel good, lovin undercover like you
should,

Last time lover, treat me right, lovin undercover, all night
