

# Let Love Lead the Way

Spice Girls

What makes this world go round  
Will the answer let her down  
She is so sweet and young  
And her life has just begun  
What does her future hold  
That's the story left unknown  
Will she make it through her days,  
Let our love lead the way

Part of me laughs (oh)  
Part of me cries  
Part of me wants to question why (question why)  
Why is there joy  
And why is there pain (ooh)  
Why is there sunshine and the rain  
One day you're here  
Next you are gone  
No matter what we must go on  
Just keep the faith  
And let love lead the way

Everything will work out fine  
If you let love, love lead the way

Sitting there all alone  
In the window of her room  
Watching the world go by  
Brings tears to her eyes  
All she sees is hurt and pain,  
She wants to break the chain  
She'll keep pressing everyday  
And she'll find her own sweet way

Part of me laughs (me laughs)  
Part of me cries (I cry)  
Part of me wants to question why (wants to question why)  
Why is there joy  
One day you're here (you're here)  
Next you are gone (you're gone)  
No matter what we must go on (I will go on)  
Just keep the faith (keep your faith)  
And let love lead the way (I know, I know, I know, ooh whoa)

You can be all that and still can be who you are  
You gotta know for sure that it isn't make believe  
You may feel weak but you are strong  
Don't you give up if  
If you keep holding on, you'll never be wrong  
Just close your eyes cause it lies deep in your heart, yeah

Part of me laughs  
Part of me cries (I cry)  
Part of me wants to question why (question)  
Why is there pain  
Why is there sunshine then the rain  
One day you're here (you're here)  
Next you are gone (you're gone)

No matter what we must go on (I will)  
Just keep the faith  
And let love lead the way (lead the way)

Part of me laughs (I laugh)  
Part of me cries (I cry)  
Part of me wants to question why (Question why)  
Why is there joy (So much joy)  
Why is there pain (So much pain)  
Why is there sunshine then the rain  
One day you're here (You're here)  
Next you are gone (You're gone)  
No matter what we must go on (I will)  
Just keep the faith  
And let love lead the way (Lead the way)

Everthing will work out fine  
If you let love, love lead the way
