Whoa-oooh-oooh-oh  
Whoa-oooh-oooh-oh

We're comin right back atcha, come on  
This party's begun  
Jump to it

It's a brand new day  
I've got a feeling things are going my way  
Cos the girls are back in town  
So don't look down  
Cos the groove won't let your feet touch the ground, yeah-yeah

No looking back  
And you thought we wouldn't make it this far  
So we (proved you wrong again)  
Now's the time (time)  
We're coming right back with a brand new design (feelin fine)

There's been tears along the way (ooh)  
But we're still the best of friends (ooh)  
Never needed to pretend (ooh)  
Cos real friendship never ends

We're comin right back atcha, come on  
(Back atcha, come on)  
This party's begun  
(Party's begun)  
Jump to it cos the girls are coming back again  
(Cos the girls are coming back at you again)  
Right back atcha this time  
(At you this time)  
We're changing the vibe  
Get with it cos the girls are coming back again  
(Get with it, girls are coming back again)

Whoa-oooh-oooh-oh (ooa-oooh-oooh-oh)  
Whoa-oooh-oooh-oh (ooa-oooh-oooh-oooh)  
Cos the girls are coming back again  
(coming back again)

Now  
We've had a taste of what we all can achieve  
But we're (coming back for more)  
Show you how (how)  
Turn your dreams into our reality  
Stronger than before

There's been tears along the way (ooh)  
But we never cried alone (ooh)  
The four of us have grown (ooh)  
And our friendship never ends

We're comin right back atcha, come on  
(Back atcha, come one)  
This party's begun  
(Party's begun)

Jump to it cos the girls are coming back again  
(Cos the girls are coming back at you again)  
Right back atcha this time  
(At you this time)  
We're changing the vibe  
Get with it cos the girls are coming back again  
(Get with it, girls are coming back again)

We're coming right back atcha  
No R.I.P.  
Not forgetting the days  
When we were all wannabes  
Spice it up through and through  
Through and through to the limit  
They all try and diss us  
But there aint nothing in it  
We started a trend now they all imitated (whoa-oooh-oooh-oh)  
A new generation of spice we created (whoh-oooh-oooh-oh)  
You all know who you are  
We couldn't have done it without ya  
So once again we're coming right back atcha

There's been tears along the way (ooh)  
But we're still the best of friends (ooh)  
Never needed to pretend (ooh)  
Cos real friendship never ends

We're comin right back atcha, come on
