

# Wasting My Time

Spice Girls

Baby who  
Was the one that treated you so bad  
That you  
Felt that you had to do to me what she had done to you  
Now you prove  
Everything that my friends had told me about you  
Was true  
Now it's over and we're through

You got your baby  
And had things your way  
So can you blame me  
For walking away?  
What did I do to  
Be treated so bad (treated so bad)  
Now you have lost me  
And I was the best thing you'd ever had

Now you think I don't know  
What's going on (what's going on)  
But I know with you I'd just be wasting my time  
I can't keep  
Holding on  
But I know with you I'd just be wasting my time (cos I know with you I...)

Can't you see  
That the things you said and did never had me  
Make believe  
That you saw something special inside of me  
Now you seem  
To think that you can't live your life without me  
Sorry  
Baby you can do without me

You got your baby  
And had things your way  
So can you blame me  
For walking away? (walking away)  
What did I do to  
Be treated so bad (so bad)  
Now you have lost me  
And I was the best thing you'd ever had

Now you think I don't know (I)  
What's going on (what's going on)  
But I know with you I'd just be wasting my time  
(But I know with you, I'd just be wasting my time)  
I can't keep (oh no)  
Holding on (just holding on)  
But I know with you I'd just be wasting my time  
(But I know with you I'd just, I can't restore my time)

I don't know (I don't know)  
What's going on (what's going on)  
But I know with you I'd just be wasting my time  
(You I'd just, wasting my time)  
I can't keep (oh I do, yeah)

Holding on  
But I know with you I'd just be wasting my time  
(Cos I know with you I)

Now you know that, I can live without you  
You should see that, (it's not all about you)  
This time

You played too many games  
Now it's time to see that I won't waste my life, no not me

Now you think I don't know  
What's going on  
But I know with you I'd just be wasting my time  
I can't keep  
Holding on  
But I know with you I'd just be wasting my time

Now you think I don't know (and just think that I)  
What's going on (what's going on)  
But I know with you I'd just be wasting my time (wasting my time  
on you, oh yeah)  
I can't keep  
Holding on  
But I know with you I'd just be wasting my time  
(But I know with you I'd just, I can't restore my time)

I don't know (I don't know)  
What's going on (what's going on)  
But I know with you I'd just be wasting my time  
(But I know with you I'd just be wasting my time)  
I can't keep (oh no)  
Holding on  
But I know with you I'd just be wasting my time  
(Cos I know with you I, I can't restore my time)

I don't know  
What's going on  
But I know with you I'd just be wasting my time  
(I can't restore my time)  
I can't keep  
Holding on  
But I know with you I'd just be wasting my time  
(Cos I know with you I)

I don't know
